**Learn how mediation can help in the resolution
of workplace, family and commercial disputes!**

**Find out how new mediation legislation will
impact you, your clients, and the way we all deal
with disputes!**

**Hear from industry experts about how mediation
can work for you!**

The evening will include informative talks from practicing mediation professionals and legal practitioners, as well as a Q&A session with international certified dispute resolution practitioners. Certified mediators will be on hand to offer information about mediation services available locally.
